

Privacy Policy Customer/Supplier

Dear Customer/Supplier,

In accordance with current national legislation on privacy and in compliance with the provisions of the GDPR 2016/679 (General Data Protection Regulation), AXIANS SIRECOM Srl (hereinafter "AXIANS") is providing information regarding the processing of your personal data, based on principles of fairness, lawfulness, transparency and protection of your privacy and your rights..

1. Purpose of the Processing

With reference to these data we inform you that:

Data is processed in relation to contractual requirements and the consequent fulfilment of legal and contractual obligations deriving from the latter, as well as to achieve effective management of commercial relationships and also for the purposes of credit protection and better management of our rights relating to the individual commercial relationship.

If you are already a customer, AXIANS may also use your data to send you advertising e-mails about products and services offered, similar to those previously purchased, unless you refuse to accept this service by exercising your right to object as described below.

Furthermore, upon consent, your data may also be processed for the purpose of sending newsletters, commercial communications and/or promotional material, or opinion polls, as well as transferred to a third country outside the EU or to an international organization.

2. Data Access

The Data shall be made accessible for the purposes referred to in Article 1:

- to employees, partners of the Data Controller or companies of VINCI SA Group (in Italy and abroad), as responsible for processing or Data Processor
- to third party companies or other subjects (for instance credit institutions, professional offices, consultants, insurance companies for the provision of insurance services, control authorities, companies in charge of the installation, maintenance, updating and, in general, of the management of hardware and software etc.) who carry out outsourcing activities on behalf of the Data Controller, as external Data Processors.

3. Data transfer to a third Country and/or an international organization

We may need to transfer your Data to other group companies or service providers in Countries outside of the European Economic Area (EEA) which consists of the countries of the European Union and Switzerland, Liechtenstein, Norway and Iceland which are considered countries with equivalent data protection and privacy laws.

In this case we will ensure that your Data is properly and adequately protected.

If the Country does not have equivalent data protection and privacy laws, we will require the third party to enter into a contract with us in accordance with EEA standards.

4. Method of processing and Conservation Period

The processing of personal Data will be mainly carried out with the help of electronic or otherwise automated means, according to the methods and with the tools suitable to ensure the security and confidentiality of the data, in accordance with the provisions of current national legislation and the GDPR 2016/679.

In particular, all technical, IT, organizational, logistical and procedural security measures will be adopted, so that the minimum level of data protection required by law is guaranteed, allowing access only to the persons in charge of processing by the Data Controller or the Data Processor designated by the Data Controller.

Data will be processed for the time necessary to fulfill the purposes referred to in point 1 and in any case for no longer than 10 years from the termination of the relationship. After this term of conservation, the Data will be destroyed or anonymized.

5. Type of Transfer

Transfer of Data is compulsory for all that is required by legal and contractual obligations and therefore any refusal to provide them or to the subsequent treatment shall cause the impossibility to start the contractual relationship. However, the refusal to provide all the data not required by legal or contractual obligations, shall be evaluated from time to time by the writer and shall determine the consequent decisions according to the importance of the required data in relation to the entire the business relationship..

6. Rights of Data Subject

According to art. 15 GDPR and current national legislation on privacy, Data Subject may exercise its rights including consulting, modifying, deleting data or object to the processing of data for purposes of transmitting advertising material or commercial communications or opinion polls, by sending an email to legale@axians.it.

Where applicable, we also point out the rights under Articles 16-21 GDPR (Right of rectification, right to be forgotten, right to restriction of processing, right to data portability, right to object), as well as the right to complain to the Italian Data Protection Authority.

In the case of a request for data portability, the Data Controller will provide you with your personal Data in a structured, commonly used and readable format, by automatic device, without prejudice to paragraphs 3 and 4 of Article 20 of EU Reg. 2016/679.
